

Magnetic equipment

Magnetic equipment

Magnetic tracks, pulleys, drums, packing pulleys, separators, magnetic heads and electromagnets for handling of metal ends, caps and cans. Magnetic deferrizators, grids, candles and overbelt magnets for materials separation.

Attrezzature magnetiche

Piste, pulegge, impaccafondi, tamburi, repulsori, separatori, testate magnetiche ed elettromagneti per la movimentazione di lamiere, coperchi, tappi e scatole di metallo. Deferrizzatori, griglie, candele e overbelt magnetici per la separazione dei materiali.

Magnetic equipment - Technical specification

Equipment model

Magnetic heads: variable size
Magnetic pulleys: variable size
Magnetic tracks: variable size

Separators: variable size
Deferrizators: variable size

Dimensions

We manufacture customized magnetic equipment by customer request.

Technical data

Materials: steel/stainless steel ceramic magnet/neodymium magnet

Modello attrezzature

Testate magnetiche: dimensioni variabili
Pulegge magnetiche: dimensioni variabili
Piste magnetiche: dimensioni variabili

Separatori: dimensioni variabili
Deferrizzatori: dimensioni variabili

Dimensioni

Si realizzano attrezzature magnetiche fuori standard su richiesta del cliente.

Dati tecnici

Materiali: acciaio/acciaio inox magnete ceramico/magnete neodimio

Magnetec S.r.l - Via Vincenzo Monti, 58 - Pero (MI) - 20016 - Italy - P.I. 07803540967
